

Dear Parents,

Our topic in Key stage 2 this term is 'the Vikings. As there are no Viking museums/ settlements near Claverley, Erik (the Viking) is coming to us on Monday 9th October! He will be bringing with him a collection of period artefacts that the children will have an opportunity to touch, smell and wear. It is an action packed day. The children will be involved through role play: re-enacting stages of a battle, a Viking court and family life.

To make the day more authentic, we are asking the children to dress up as a Viking. I attach some costume ideas. Please do not feel you have to go and spend money buying costumes off the internet; I am improvising with old clothes from home.

The cost of the visit is £5.50 per child **Sandra whatever else needs saying**

Thank you for your support

Jill Benson (history co-ordinator)
