

through

She crawled her way out **through** the tunnel.

through

He was scared as he could see **through** the ghost!

thought

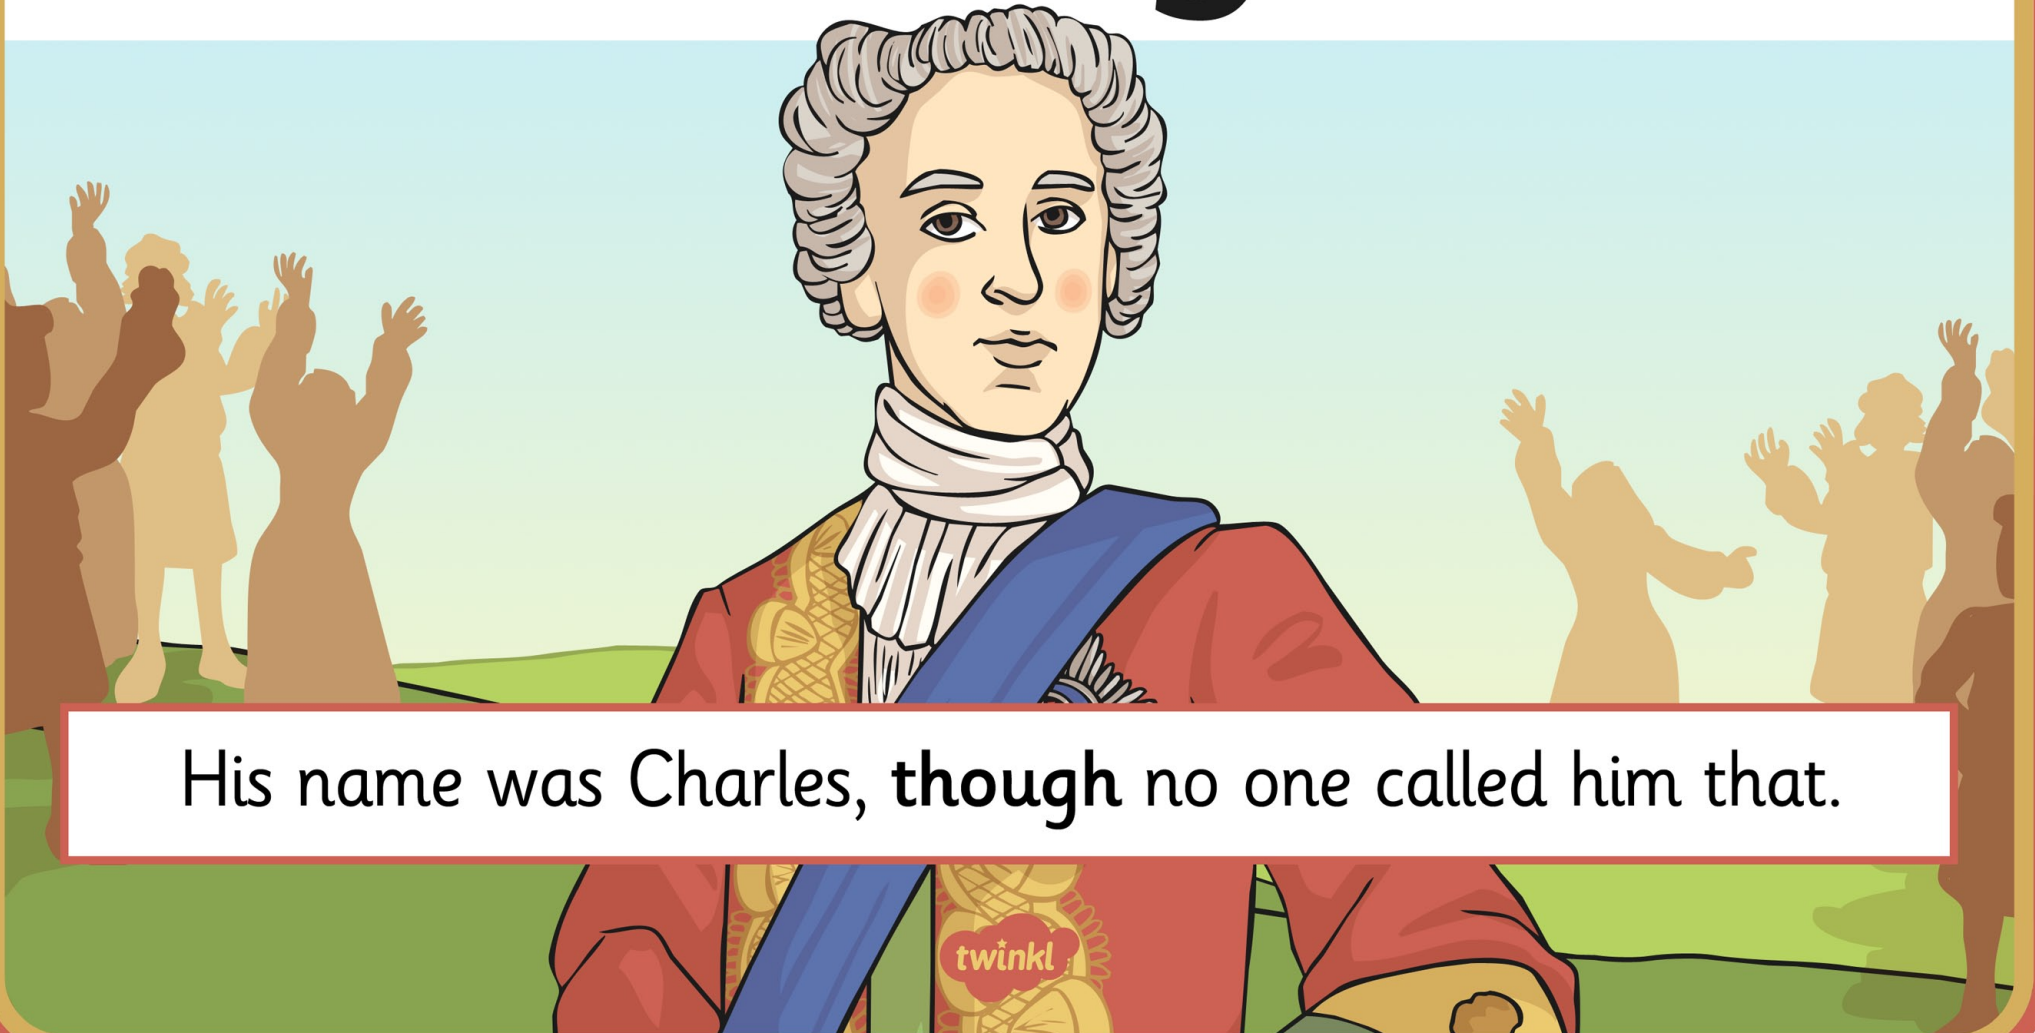

Orpheus thought he could save Eurydice.

thought

She had put a lot of **thought** into her work.

though

His name was Charles, **though** no one called him that.

though

Though koalas are cute, they can also be very vicious.

through, thought and though

They **thought** they could get **through** the forest, even **though** it was pitch black.
