

# Homework/Extension

## Step 1: Make a Whole

### National Curriculum Objectives:

Mathematics Year 4: (4F6b) [Recognise and write decimal equivalents of any number of tenths or hundredths](#)

Mathematics Year 4: (4F10b) [Solve simple measure and money problems involving fractions and decimals to two decimal places](#)

### Differentiation:

Questions 1, 4 and 7 (Varied Fluency)

**Developing** Circle the number which makes a whole (1) when added to the number represented in the number square. Includes 3 options and tenths only.

**Expected** Circle the number which makes a whole (1) when added to the number represented in the number square. Includes 4 options and hundredths and tenths.

**Greater Depth** Circle the number which makes a whole (greater than 1) when added to the number represented in the number square. Includes 5 options and hundredths and tenths.

Questions 2, 5 and 8 (Varied Fluency)

**Developing** Match the numbers to make a whole (1) using tenths.

**Expected** Match the numbers to make a whole (1) using hundredths and tenths.

**Greater Depth** Match the numbers to make a whole (greater than 1) using hundredths and tenths.

Questions 3, 6 and 9 (Problem Solving and Reasoning)

**Developing** Identify and explain the odd one out of 3 calculations. Includes tenths only.

**Expected** Identify and explain the odd one out of 3 calculations. Includes tenths and hundredths.

**Greater Depth** Identify and explain the odd one out of 3 calculations. Includes tenths, hundredths and making a whole greater than 1.

## Homework/Extension Make a Whole

### Developing

1. **A – 0.8, B – 0.3**
2. **0.6 and 0.4, 0.1 and 0.9, 0.5 and 0.5, 0.8 and 0.2, 0.3 and 0.7**
3. **B is the odd one out because it does not make a whole.**

### Expected

4. **A – 0.46, B – 0.68**
5. **0.72 and 0.28, 0.19 and 0.81, 0.43 and 0.57, 0.86 and 0.14, 0.25 and 0.75**
6. **C is the odd one out because it does not make a whole.**

### Greater Depth

7. **A – 0.45, B – 0.33**
8. **1.26 and 1.74, 0.94 and 2.06, 2.38 and 0.62, 1.75 and 1.25, 2.81 and 0.19**
9. **A is the odd one out because it does not make a whole number.**
