

# Estimate and measure time

For each activity, estimate and measure how long each of the activities take you. Use a stopwatch to help you.

Activity	Time taken to complete the activity		Write a sentence
	Estimate	Measure	
Write your full name.			
Hop on the spot 20 times.			
Walk from one end of your classroom to the other.			
Write a sentence about where you live.			
Jog one lap around the school playground.			
Draw a clock with numbers and both hands.			
Walk three laps around your school hall.			

# Estimate and measure time

Write down some activities. Estimate and measure how long each of the activities take you. Use a stopwatch to help you.

Activity	Time taken to complete the activity		Write a sentence
	Estimate	Measure
