Teachers notes

Children will choose a number card. They must build the number using concrete apparatus such as Base 10 or place value counters.
They must then compare the numbers using inequality signs and record this in their books.

| DEVELOPING | ★☆☆ | Children will work to build and compare the numbers and complete the stem sentences to compare the numbers. |
| SECURE | ★★☆ | Children will work to build and compare the numbers and describe the comparisons using inequality signs. |
| MASTERY | ★★★ | Children will work to build and compare the numbers and describe the comparisons using inequality signs. They may then progress to the extension task comparing numbers in their partitioned form. |
