

Friday 26th February

Key Question: **What happened on Palm Sunday?**

Think about the story

Have you ever been to a celebration? Maybe you have been to a birthday, wedding or a street party. Was it noisy? Did people sing or cheer? Was there music? How did you feel to be part of it all?

Imagine that you are in the middle of the crowd when Jesus rides past. What do you think it would be like? What would you hear and see? How would you feel? What would you do?
