Our vision for Claverley CE Primary school.

We 'encourage one another and build each other up' (1 Thessalonians 5:11) so that we are each empowered to make the most of the lives we have been gifted by God (to live out our **BEST** lives).

Our mission is...

Believing that we can change things for the better (Hope)

respecting our environment and each other (Dignity)

Supporting our friends and community (Community)

Taking every opportunity to learn (Wisdom)

Our value for this half-term is Truthfulness

'Speak the truth to each other' Zechariah 8:16

This half term is going faster than ever! Blue class have been swimming, we have had parent lunches, Yellow, Red and Green are going on trips and Blue class play is well underway! Year 6 have been to Crucial Crew, the Pioneer Centre and will have their transition days to secondary school. There are still lots of things happening before we break up so please keep an eye on the key dates and website.

Sunflower Competition - Claverley in Bloom have been in to find out how the sunflowers are growing. Lots of children were very excited to share their progress so far! Don't forget there is an art competition which could involve: a painting, collage, dot picture or 3D model of a sunflower - all entries welcome in the first week in September. Year 6 will be welcome to bring their entries in too.

Governors

This week, we thanked Mike Connor for being a governor of the school since 2015. Mike has been an active member of the Finance Committee and supported us with many decisions. We are grateful for all his support.

We do still have a space for a Foundation Governor so if you know of anyone who would be interested in this role, please ask them to contact the school.
