Design a logo for our vision and code.

Our school vision is 'to encourage one another and build each other up' *(1 Thessalonians 5:11)* **so that we live out or BEST lives.**

Our mission in practice is illustrated in:

- the 4 positive action statements that form the basis of the Claverley code:

Believe that we can change things for the better (Hope)

r**E**spect our environment and each other (Dignity)

Support our friends and community (Community)

Take every opportunity to learn (Wisdom)

We would like you to think about the **BEST** statements and design a clear logo to represent it.

Here are some examples to get you thinking. It does need to be clear and not contain too many small images. Think about a couple of pictures which represent the statements and put them together in a creative way.

All designs to be back to school by Friday 17th September
