

Spellings 7.01.22

This week we are looking at possessive apostrophes. Remember what we learnt in the lesson. Here is a reminder.

To show possession, you add apostrophe s (-'s) to a singular noun.

The dog's tail was wagging.

There is only one dog.

If there is more than one and the noun ends in s, add an apostrophe.

The dogs' tails were wagging.

Take the following words and put them into a sentence.

1. boy's
2. boys'
3. girl's
4. girls'
5. teacher's
6. teachers'
